Dr. Igor Yevhenovych Tsependa, Rector
Vasyl Stefanik Precarpathian National University
Ivano-Frankivsk, Ukraine

Dear Rector Tsependa,

This morning we awoke to grave news about Ukraine. Because of our longstanding relationship with you, I write to express our deep sadness and concern. Many at Berea College are thinking of you. Both our institutions strive tirelessly for the education of our students so the world may become a better place.

On behalf of Berea College, I convey our best hopes for your university, for your students, and for you.

Sincerely,

Lyle D. Roelofs
President
