Dear Prof. Yevhenovych, dear esteemed colleague,

On behalf of the University of West Bohemia, our academic staff and students, I would like to express our solidarity with the people of Ukraine.

We strongly condemn Russia's unprovoked and unjustified actions that constitute a violation of Ukraine's sovereignty, territorial integrity and independence, and demonstrate a disregard for international law. We deeply believe that Ukraine's sovereignty and territorial integrity must be respected.

We appreciate the partnership between the Vasyl Stefanyk Precarpathian National University and the University of West Bohemia and we wish you, your employees and students all the best and good health.

I assure you, dear colleague, that our prayers are with you, your university and the people of Ukraine.

Please stay safe and healthy.

Yours sincerely,

doc. Dr. RNDr. Miroslav Holeček
